Front-End Development

I'm a Product Designer with experience leveraging my diverse skills in technology and design to drive product success. Experience in UX design, product research, project management, visual design, and innovative problem-solving. Passionate about creating impactful products and fostering collaborative team environments.

## Employment history

### Product Intern, Evertrue

Jun 2024 - Aug 2024

Boston, MA (Remote)

- Guided Evertrue's Pledgemine product through a full redesign development cycle, including research, design iterations, feasibility estimates, and prototyping

- Served as a Product Designer for the project, crafting wireframes, user-testing designs, and producing high-fidelity prototypes

- Maximized 10 weeks of internship time to create implementation-ready deliverables, smoothly handed off to Evertrue's product teams

- Also functioned as the intern team's Product Manager, creating documentation, prioritizing opportunities, and leading team meetings

- Collaborated cross-functionally with 6-person intern team to develop shovel-ready plans and designs for Pledgemine

### Branding Consultant & Designer, Pilot Rock Consulting

May 2024 - Aug 2024

Leavenworth, WA (Remote)

- Created logo and branding materials for Pilot Rock Consulting

- Designed and developed Pilot Rock's website in Wordpress

- Facilitated branding and site handoff to client with tutorial videos and user-friendly explanatory materials

### Resident Assistant & Design Intern, Bodenseehof

Sep 2023 - Apr 2024

Friedrichshafen, Germany

- Assisted in coordinating and leading student activities, including trips, social events, and community service projects

- Performed research and found design solutions for various organizational matters, including automating a portion of grading using skills in Excel and Microsoft Suite

- Modified Bodenseehof design materials to fit changing organizational needs

### Graphic Designer, Whitworth Outdoors (Freelance)

Mar 2022 - Mar 2024

- Developed and adapted design concepts to different media formats, including web, social media, print, and video

- Commissioned to illustrate posters for the 2022, 2023, and 2024 Semper Liberi bouldering festival

### Assistant Team Lead, Mount Hermon Camp and Conference Center

May 2023 - Aug 2023

Santa Cruz, CA

- Developed and implemented training programs and curriculum for Day Camp Counselors, focusing on skills such as problem solving, communication, and leadership

- Assisted in daily management and supervision of Day Camp operations

### Stage Management Intern, Broadway at Music Circus

Jul 2017 - Oct 2017

Sacramento, CA

- Worked side by side with AEA Stage Management team to provide support for all aspects of rehearsal and performances

## Education

### Whitworth University, Spokane, WA

Aug 2021 - Aug 2024

Bachelor of Arts - BA

Human Computer Interaction

### American River College

Mar 2018 - Mar 2022

Associate's degree

Psychology, Social Sciences

## Volunteer Work

### Product Designer & Front End Developer

Mindful Awareness Academy for Children • Spring 2023

- Worked on a team of four to create a student tracking tool from scratch that would serve MAAC's needs

- Mocked up and coded the webpage as the principal product designer and front-end developer on the project

- Conducted client and user interviews and research

- Adapted the tracking tool through an agile design and development process until the client was satisfied with the outcome

### UX/UI Designer & Front End Developer

Krista Colleagues Foundation • Spring 2022

- Designed and developed website, from conception to finished product collaboratively in a team of three.

- Redesigned Krista Colleagues Program's logo and branding for use on website and in other program communications.

- Created new logos and branding for Krista Colleagues
